Supporting Carers

We think it is important that we work with your family because they know you best and can help us support you. We will talk with you about this.

There is also a carers group to support family carers held at the Café Dome in Basingstoke. Contact us for more details.

For a translation, an interpreter, a recorded, large print or braille copy of this document, please contact your local Learning Disability Team.

Southern Health
NHS Foundation Trust

We are here to help

Learning Disability Community Health Service

In our service we have:

- Art Therapist
- Community Nurses
- Occupational Therapists
- Physiotherapists
- Psychiatrist
- Psychologists
- Speech and Language Therapists
- Strategic Health Facilitator
- Support Workers

Who can help you?

We work with adults who have had a learning disability since childhood and...

- Find it hard to understand new or difficult information
- Find it hard to learn new skills
- Find it hard to cope independently

We can help with:

- Autism
- Behaviours which challenge
- Dementia
- Epilepsy
- Mental Health
- Physical health needs

Teaching others about your needs. We do this by:

- Talking and working with other services
