

## FOI914 – FOI request concerning anaesthesia drug use

---

I can confirm that Southern Health NHS Foundation Trust holds the information you requested:

I would like to request information regarding the amount of anaesthesia products dispensed during 2013/14.

Please provide:

For the NHS year 2013/14, the number of units of each product dispensed by the trust pharmacy:

- o Sevoflurane
- o Isoflurane
- o Desflurane
- o Propofol

Please refer to the attached spreadsheet detailing the number of anaesthesia products dispensed by Southern Health NHS Foundation Trust in 2013/14.

Of note, the Trust itself only dispenses these types of drugs at Lymington New Forest Hospital and Fordingbridge Hospital. As the latter does not deliver theatre services, we do not dispense anaesthesia drugs at Fordingbridge and so the information supplied relates to Lymington New Forest Hospital only. Other dispensaries would be undertaken by neighbouring Acute Trusts, under a formal Service Level Agreement.
